FELLOWPRO

WE ARE HIRING!

PROJECT MANAGER (M/F/D)

COMPANY DESCRIPTION

FELLOWPRO AG is a pioneering company based in Munich, specialising in process optimisation through innovative automated document processing solutions. Our flagship technology, DocBits, revolutionises how businesses handle and streamline their document workflows, enhancing efficiency and accuracy across operations.

As a trusted partner for industry-leading platforms like Infor and SugarCRM, we empower organisations to integrate seamlessly with robust enterprise solutions. Our expertise extends to delivering tailored automation strategies that meet the unique needs of our clients, fostering growth and operational excellence.

At FELLOWPRO AG, we are dedicated to fostering a dynamic and collaborative environment where innovation thrives. Our team comprises skilled professionals who are passionate about leveraging cutting-edge technology to solve complex business challenges. Join us and be a part of a forward-thinking company where yourcontributions make a tangible impact.

ROLE DESCRIPTION

FELLOWPRO AG is seeking a dynamic and experienced Project Manager to join our innovative team in Munich. As a Project Manager, you will play a crucial role in expediting projects, managing logistics, and overseeing inspections to ensure successful project completion. This role is integral to maintaining the high standards of efficiency and excellence that FELLOWPRO AG is known for.

INDUSTRY

FELLOWPRO

KEY RESPONSIBILITIES

- ✔ **Technical Consulting:** Providing expert knowledge for the implementation and integration of DocBits IDP into existing Infor M3 and LN environments.

- ✔ **Customer Projects:** Leading and executing customer projects, including requirements analysis, solution design, and implementation.

- ✔ **Development and Customization:** Creating and customizing Python scripts to automate processes within the DocBits IDP platform.

- ✔ **XML/XSLT Transformation:** Designing and implementing XML/XSLT solutions for data processing and transformation within projects.

- ✔ **Technical Documentation:** Preparing technical specifications, documentation, and user manuals.

- ✔ **Customer Training:** Conducting workshops and training sessions for customers to ensure optimal use of the implemented solutions.

- ✔ **Support and Troubleshooting:** Assisting with troubleshooting and resolving technical issues in existing implementations.

QUALIFICATIONS

- ➜ **Professional Experience:** Preferably experienced in technical consulting, especially in the Infor M3 and LN fields.

- ➜ **Programming Skills:** Solid experience in programming with Python, as well as knowledge of XML and XSLT.

- ➜ **Project Management:** Experience in leading IT projects and collaborating with interdisciplinary teams.

- ➜ **Analytical Skills:** Ability to understand complex technical requirements and develop tailored solutions.

- ➜ **Communication Skills:** Strong ability to clearly and effectively communicate technical concepts, both in writing and verbally.

- ➜ **Languages:** Fluent in German and English.

WE OFFER

- ✔ **Innovative Projects:** Work on exciting and challenging projects with cutting-edge technologies.

- ✔ **Development:** Opportunities for professional and personal growth in a dynamic environment.

- ✔ **Work Environment:** A collegial and supportive working atmosphere in a motivated team.

- ✔ **Compensation:** Attractive and performance-based compensation along with additional benefits.
